

Skyreach announce the opening of a new branch in Newcastle, NSW.

Skyreach's recent success and growth has led to the opening of a new office with a dedicated team to support the demands of the local community.

October 8, 2018.

Spearheaded by the CEO & Managing Director, Mr. Rod Leech, the Skyreach Group (a leading elevating work platform (EWP) and equipment hire company on Australia's East Coast) has strengthened its presence in the NSW hire market by acquiring Hunter Access Pty Ltd (trading as Rapid Access Pty Ltd). Located at 62 Bonville Ave, Thornton NSW 2322, this new location offers a second site in NSW to provide service and support to local stakeholders.

This acquisition has introduced a change in name from Rapid Access to Skyreach (NSW) Pty Ltd, with existing staff joining the team at the Skyreach Group.

With safety and suitability the principal objective, Skyreach is now injecting brand new, premium machinery and equipment back into the local market.

This newest Skyreach facility consists of an expansive sealed yard, substantial service and workshop bays, wash bay, administration block, and ample off street parking to satisfy local requirements.

Purchased to facilitate the growth of Skyreach the Newcastle branch provides critical service of Scissor Lifts, Boom Lifts, Knuckle Booms, and a vast range of other equipment to meet the demand of the greater northern Sydney areas.
